

A Message from Lucidity Festival:

KNOW BEFORE YOU GO!

Please download and review as you pack.

The best way to truly enjoy a festival, is to know you're totally prepared for it. Your comfort is important to us, as is our overall ecological footprint; we've taken time to compile this awesome checklist of things to bring, and not to bring, so you don't have to worry about it.

Remember: what you PACK IN you should be prepared to PACK OUT! We thank you in advance for co-creating a wonderful experience for all!

Kindred Camping List

- **YOUR TICKETS!!! + MATCHING PHOTO ID**
Before you head out, make sure everyone has an electronic or printed version of their very own ticket. Log in to your Eventbrite account to make sure names are accurate. If you were lucky enough to get an early arrival, car camping, or RV pass, BRING IT.
- **CASH (\$20 minimum)**
Every vehicle on site without a Car Camping Pass is subject to a \$20 Environmental Impact Fee. Be prepared to pay this when you arrive. ATMs will be located once you are on site.
- **CLOTHES / undies / socks / shoes**
No Nudity allowed on site. We're a family event. Sorry folks. :)
- **COATS / HATS / SCARVES / WARM AND FUZZIES**
It's pretty warm during the day but at night it can get awfully chilly!
- **Tent / Sleeping Bag / Squish**
- **3 Trash Bags: Landfill / Recycling / Compost**
In order to keep our beautiful site clean and be part of our mindful collaboration we ask that you Pack In & Pack Out! Our facilities will be set up to take your trash for a fee if you want to walk it to the dumpsters. Let's Leave it Better!
- **Reusable Water Bottle (or Camelback) / Plate & Bowl / Utensils**
Help us #endsingleuse items - be part of the solution! If you do not want to bring your own, Lucidity Artifacts will be selling an amazing branded insulated water bottle. Also, bring a large water container for your campsite.
- **Food / Snacks / Provisions**
But check out our list of [Kindred Nourishment](#) providers first. ;)

Help cut down on your trash and harmful fly-aways - unpack wrappers and eliminate all unnecessary garbage BEFORE you arrive onsite. Don't forget what you buy beforehand makes a difference too - let your dollars speak a world of change!

Did you know? Lucidity has a deep commitment to supporting our local community. Our partnership with the [Isla Vista Food Co-op](#) has been running strong for all 4 years of Lucidity! And we want to share our favorite 43 year old community-owned grocery store treasure with all of you! Just for Lucidity Ticket holders, **receive \$5.00 off of your \$25.00 or more purchase** at the Co-op on your way to or from Live Oak!
Show your Lucidity Festival ticket email from Eventbrite at the cash register to claim your \$5.00 off!

The IV Food Co-op is excited to support Lucidity's Strategy For Good year-round community giving program! 2% of total store sales on Thursday April 9th and Friday April 10th will be donated back to the Strategy for Good!

- **Flashlight / Headlamp / LED operated anything**
No disposable Glow Sticks! They are toxic, can't be recycled and really are against everything we're tryin' to do here.
- **Essential Toiletries and Medications**
There will be shampoo/conditioner/bodywash supplied at our showers for your use!
toothbrush / toothpaste / floss
comb / brush / hair ties
sunscreen
toilet paper (back up)
- **Yoga Mat / Phone (alarm clock) / Charger**
Show up to workshops on time and ready. Or, unplug from the phone and bring a battery alarm clock instead! Looking for a place to charge your phone? Hook it up to the power of the sun at our solar charging station!

THINGS YOU WONT NEED!

- **Charcoal / charcoal grills**
This is part of the open flame mandate. Feel free to bring a propane grill.
- **FIREWOOD**
Open flames are absolutely forbidden onsite. We will have a few bonfires with scheduled fire tenders onsite to warm up by. Its for your safety and everyone elses.
- **Fire Toys**
We kindly ask that, unless you've been approved to spin fire at the event, you leave your firetoys at home. Thanks :)
- **GLOWSTICKS**

We cannot stress how bad these are for the environment. Instead, bring LED anything. There are lots of substitutes!

- **Loving Furry Companions**
And no we don't mean your romantic partner. Dogs, Cats, snakes, birds, lions, tigers, and bears...Oh my! are NOT allowed at the Live Oak Campground.
- **Sound Systems**
We've got the music covered. Leave the boom box at home. Please be considerate of your neighbors and don't blast the car stereo either.
- **Vehicles - Recreational (RV's) or a School bus**
We're not kidding. Unless you have an RV pass, or are carpooling with 30+ (in which case we would definitely pat you on the back and say "Well done!") DO NOT BRING A LARGE VEHICLE OVER 18FT. There are no more passes available for purchase and you are not allowed to camp in our parking lots, it's far away from all the fun anyway!
- **Vehicles - Regular (Challenge!)**
Carpool with your friends and use our awesome shuttle bus. Let's work together to curb the amount of vehicles at Lucidity! Detach from their personal transportation vessel for the weekend, it will feel good.

OTHER IMPORTANT INFO

- **Rideshare & Carpool**
[Jump on the Schoolbus](#) - Room for you and your gear, a wicked sound system, and U shaped seating! Only \$12 ROUNDTRIP, no \$20 Impact fee, and expedited arrival into the event!! Or you could check [Ricky Rides](#) for a rideshare opportunity; meet some new friends!
- **Onsite Shuttle System**
All vehicles that don't have car camping passes will be parking in one of two parking lots. This year, our shuttling system has been much improved to provide you with a safe and comfy ride into the event with all your gear.
- **Party Mindfully**
If you are ever feeling out of place and need some loving guidance, look for Lucidity Guardians roaming the grounds wearing red decorative sashes. And remember while you are at Lucidity to cause no harm to yourself, no harm to others, and no harm to the land. We are fortunate to be able to gather under the beautiful oak trees - let's leave ourselves and the land better than we arrived :)
- **Bag Check / Lost & Found**
Don't want to Lose your Sh*#? Label all your items, especially those that are

more precious to you. Or come check your bag or equipment at our Vault, conveniently located at the Lucid City Info Hub. And if you misplace something while you're having a good time, stop by the Vault to see if a wonderful being turned it in!
